Policy

Initial Eligibility

In accordance with WD Letter #12-19, change 2, WFSDallas will follow guidance:
https://www.twc.texas.gov/files/policy_letters/14-19-ch-2-twc.pdf

For initial eligibility for the Eligible Training Provider Certification System, a training provider must meet the following criteria:

- Proposed training program must be on the Board's approved targeted occupation list (*the Board will not approve advanced certifications for occupations not on the Board's Targeted Occupations List*)
- Minimum of one-year experience providing training to the general population
- Reasonable cost based on comparable training programs
- **A maximum of \$17,000 training cap per participant unless otherwise necessary to meet the employment needs of our local community and training is not otherwise available. Classes may be considered on a case-by-case basis to exceed the training cap. Board anticipates no interruptions to currently enrolled students. The \$17,000 training cap is for new individual training accounts written on or after March 1, 2022. All costs must be based upon the vendor's published price (approved and listed by TWC by class) as of March 1, 2022.**
- Providers must be appropriately accredited and provide documentation
- Providers must document recent employer validation/industry endorsed skill standards of training curriculum.
- Exempt providers as in accordance with Texas Education Code §132.002 and §132.003 are eligible and can be allowable on a case-by-case basis. The exempt schools must have two years of performance and have a successful internal and/or external monitoring review for curriculum, financial stability and ADA compliance. Exempt providers would be subject to a pre-eligibility review by our external monitors.
- Definition of Reasonable distance – 30-mile radius between the client's home and training (Dallas County).
- Training must result in an employer or industry recognized credential

Performance measures for successful experience will be measured according to the following:

<u>Initial Eligibility Performance Measure</u>	<u>Dallas Minimum Standards</u>
ALL – Program Completion Rate	75%
ALL – Entered Employment Rate	75%
ALL – Average Wage Rate (at placement)	\$13.59 (at-risk), \$15.72 (dislocated worker)

Continued Eligibility

Each provider will be reviewed based on the above criteria semi-annually and removed accordingly if missing two or more performance measures. These measures are subject to change based on the TWC performance negotiations for Common Measures with Workforce Solutions Greater Dallas. This modified policy will apply common measures to all training providers who have completed one year of delivering training services. A training provider will be removed if missing 2 or more performance measures. Training providers are eligible to re-apply following demonstrated successful performance. Providers may be maintained on the list if it is determined that the provider did not have sufficient enrollment levels to adequately evaluate performance (*servicing less than 5 customers*).

Schools, which have existing students, will be allowed to complete the training programs. All schools selected for removal will have one month following board approval to offer additional positive performance information. If removed, training providers are eligible to re-apply following demonstrated successful performance.

In consideration, that the ETPS is driven by customer choice, training providers not utilized within the last two years will be removed from the available list of training options. Staff will continue to review performance and utilization to ensure the best training options for our workforce customers.

Scholarship Programs

The Board approved/negotiated training cost on the Eligible Training Provider System is considered the maximum training cost allowable, excluding support services. We anticipate that PELL grant applications will be applied to negotiated expenses and/or supportive services. The cost of training as approved is the full cost of the training activity. All language will be incorporated in contractor policies, procedures and forms. No customer of the system shall be encouraged and/or required to provide additional funds, loans or grants that pay the training provider.

Funding Training Programs Outside of Local Workforce Development Areas through Individual Training Accounts - WFSDallas follows TWC Guidance #12-19, Change 2, and does not support training programs outside of Texas. https://www.twc.texas.gov/files/policy_letters/12-19-ch2-twc.pdf
