

## **Sequence of WIA Services (Dislocated Workers and Adults)**

The current WFSDallas policy for Sequence of Services follows the Texas Workforce Commissions' workforce development guidelines for determining income eligibility and TWIST data entry. To clarify the current policy, WFSDallas will rescind the current sequence of service policy and replace with Workforce Investment Act (WIA) Guidelines, WIA Income Eligibility Documentation log, WIA Eligibility Glossary and Selective Service Desk Reference effective October 1, 2013.
